Celebration of “SAMARPAN DIWAS”

- SHAKTI Samarpan Diwas is a day for commemorating, Bhagini Nivedita, a great social reformer of Bharat, on her birth anniversary on 28th October. She is known for her overall contribution for developing the society and social structure of our country through science, literature, politics, philosophy, spiritualism and philanthropy. Her spirit of service for our nation is inspirational to all women.

Shakti observed 150th birth anniversary of Bhagini Nivedita in the year 2017. Inspired by this event Shakti has decided to conduct 'SHAKTI Samarpan Diwas', which will be observed on this particular day by all units of SHAKTI.

Phase 1: A half day program conducted as "National NSS Day celebration : interactive lecture by Dr. Vinaya Agnihotri and smt.Ajita Ganodwale Ji on 'Role of Youth in Social Services Dated - 24August, 2019 Venue: Shri Rawatpura Institute of Pharmacy ,Kumhari Raipur C.G.,Raipur (C.G.)

Science Day celebration

Organized Lecture on the Various topic on COVID- 19

Science Festival Programs conducted in different institutes as lecture essay writing competition debate intersections supervised by science day celebration coordinator **Dr. Swarnlata saraf**

The day is also observed to recall and celebrate the contribution of all the **Great Scientists of India** who made fundamental discoveries and advanced human knowledge. Some of these are:

- Aryabhatta
- Homi Jehangir Bhabha
- APJ Abdul Kalam
- Jagadish Chandra Bose
- Srinivasa Ramanujan
- Subrahmanyam Chandrasekhar
- Har Gobind Khorana

National Science Day is being celebrated every year to widely spread a message about the Importance of science used in the daily life of the people. To display all the activities, efforts and achievements in the field of science for human welfare. It is celebrated to discuss all the issues and implement new technologies for development in the field of science. To allow the scientific-minded citizens in the country. To encourage people as well as popularize science and technology.

The entire nation celebrates the National Science Day as a **Science Festival** by organizing workshops, seminars, symposiums, **public debates**, **virtual tours**, poster making, science shows, **public speeches**, radio, TV, science movies, science exhibitions, watching the night sky, live projects, research **demonstration**, **quiz competitions**, **lectures**, science model exhibitions and many more activities based on themes and concepts as decided every year. The aim to celebrate the day with great enthusiasm is to enhance skills, promote innovation, collaborate nationally and internationally for events and impart scientific temper in the minds of people of all age groups.

The theme of the year **2020** is "**Women in Science.**"

I urge all the units of Shakti to celebrate the month of February 2020 for the said activities whatever you can.

Feel free to do. Sky is the limit.

Best wishes.

Dr. Swarnlata saraf

Professor

University Institute of pharmacy,

Pt. Ravishankar Shukla University, Raipur, 492010, Chhattisgarh
